

QGSA CASA FELIX MYSTERY QUILT 2020

STEP FIVE/PART ONE: We'll have a day or two to finish off all of our piecing and then over the weekend we'll start to put our quilt tops together. Here's some simple Friday piecing.....

1. Locate the 72 light 2 ½" squares that you have left over from Step 4.
2. Locate the 36 dark 2 ½" squares that you have left over from Step 1.
3. Join your 36 dark squares to 36 of the light squares.

4. From your remaining medium fabrics, cut 36 @ 2 ½" squares.
5. Join these 36 medium squares to your remaining 36 light squares. PRESS TOWARDS THE LIGHT FABRIC.

The next step will be to build some units and then our blocks and then.....our quilt top!!!!
Maybe tomorrow....?
