

## Quilters' Guild of South Australia Inc

---

### Policy: Catastrophic Day

---

Where a Government department declares a Catastrophic Day of any type, all Guild organised activities will be cancelled.

#### ***Background:***

A planned country group leadership meeting was cancelled. People were concerned about leaving home on what was declared a Catastrophic Heat Day. All groups were contacted but it was decided that a policy for the future was required.

Groups have been encouraged to adopt the same policy.

#### ***Patches: Jan 2020***
