

33 Sue's Blues with Catherine Butterworth – Tues 18

Website -

www.catherinebutterworth.com.au

Size: approx 2 m x 2 m (78" x 78")

The classic kaleidoscope quilt layout gives the illusion of curves and circles yet the blocks are machine stitched with straight seams! With only two different shapes to cut, the kaleidoscope block is ideally suited for scrappy quilts. Not keen on scrappy quilts? Choose the two fabric option of one light and one dark fabric. Once you have mastered the techniques for cutting and stitching this versatile block, the design possibilities are endless. Marti Michell's multi-sized Kaleido ruler #8642 (approx. \$32) is required for this workshop. This ruler cuts blocks from 6"–16". Simply choose the block size that best suits your project. Suitable for all skill levels.

34 Painting & Creative Embroidery with Saffron Craig - Tues 18
Website - saffroncraig.com

Size: 88cms x 39cms (34½" x 15")

In this hand painting on fabric workshop you will learn about colour and how to mix colours from specialty inks. You will learn the techniques for hand painting onto cloth. In the afternoon Saffron will demonstrate hand embroidery for you to explore setting up with thread. You can then sew your unique fabric into a wonderful clutch/bag or small cushion, or even bind a book with your fabric. This is a fun and relaxing class and you will find yourself being very creative. A kit will be available at a cost of \$35, and it includes inks and one metre of linen fabric.

35 Squedge with Heather Ford – Tues 18

Size: Workshop sample runner measures 140 cm x 50 cm (56" x 20")

Have fun playing with a stripe fabric and construct eye popping squedge blocks to make a runner or, you could use a floral or all over fabric and still make great blocks. What is a squedge you ask? A square made up of wedges. In this workshop we will use the Phillips' 22.5° squedge ruler. Learn all you need to know to make lots

of different blocks (patterns will be provided) to enable you to make other projects. The tutor will have samples of quilts made from multiple blocks. Basic cutting and machine piecing skills required. Purchase of the 22.5° squedge ruler is also required.
