Size – Block = 51 cm x 43 cm (20" x 17")

Quilt = 180 cm x 188 cm (71" x 74")

Modern or Traditional – it's your choice. Extended Family mixes the two with loads of fabric play thrown in for good measure. Day 2 will concentrate on the traditional Seven Sisters block which requires accurate Y-seam piecing. During the workshop you will learn fussy cutting with templates and how to work with stripes and directional prints to give your block that WOW factor. Marti Michell's Hexagon Set G #8950 (approx. \$45) and 60 Degree Triangle Ruler #8963-lge (approx. \$32) are required for this workshop. Suitable for confident beginners to advanced sewers.

Saffron will explain colour theory and how to mix beautiful colours from specialty inks. In this inspiring workshop Saffron will teach you how to turn your own hand painted fabric into an art quilt or you can sew a bag or clothing. Please bring along a pattern if you wish to make clothing or a bag. You can be as creative as you like; Saffron is there to guide you with years of experience to share with you. You can choose to use only hand printed fabrics or you can combine your designs with your favourites from your stash. This class is a highly creative class and with that comes very individual interpretations of an art quilt such as a pieced quilt or a full cloth quilt etc. Saffron advises that you may require extra fabrics from your personal stash to combine with the fabrics you have painted. Be prepared to be creative and play it by ear. Kit includes ink and one metre of linen fabric – cost \$35.00.
