

29 *Persimmon Flower Bag* with Jane MacDonald

Tues 17

Hitomezashi (one stitch sashiko) is worked in straight lines to form the persimmon flower pattern. Enjoy learning this pattern and make a useful bag to carry your latest project in. It may be possible to complete this bag in a day! Suitable for all levels.

30 *Traditional Mystery* with Sally McKenzie

Tues 17

This is a piecing workshop using a jelly roll (or stash equivalent) and a solid (or near solid) background. Fabric requirements are flexible and a variety of settings are possible. You will have enough fabric for borders and binding and comprehensive notes will be provided to enable you to finish the quilt easily at home if necessary. Suitable for confident beginners.

31 *Sea Spray* with Monica Poole

Tues 17

Size – Cot size: 101 cm x 127 cm Single: 152 cm x 203 cm Queen: 203 cm square

Monica has designed this fabulous quilt to incorporate the techniques of stitch and flip, with some sketchy free motion appliqué too. Jelly Rolls can be used, with a background fabric to make this any size – from cot to single bed to queen size. Monica will also teach you her modern “quilt as you go” method, along with the technique for machine stitching the binding. A fun workshop suitable for all skill levels.

32 *Pretty Practical Purses* with Deb Wight

Tues 17

Size – 21 cm x 26 cm or 8” x 10”

Have you ever looked at professional purses and bags and wished you could make them the same? Now you can! Students will learn the basics of construction as well as inserting zips to get that professional look. The class will also cover techniques such as design and style, appliqué, free motion quilting, collage and embroidery.

Students will complete 1 or 2 purses with ease. The first purse made will measure approx. 8 x 10 inches. This is a great class for using up scraps of fabric if you choose, or use hexagons! This class will give students the

confidence to take the designs further as well as to create their own style. It is suitable for all skill levels.
