

MONTH TWO – BLOCK 7 - March

This block is called *OLD TIPPECANOE* and is 8" square finished. Another block made with half square triangles, see "getting started" for how to make half square triangles if you need to.

Fabric requirements for this block

Three fabrics required, they could have been a background and two others, I chose three fabrics which contrast well with each other

- Fabric A pale green
- Fabric B is red print
- Fabric C is gold with text

Cutting

- A – pale green – cut 8 x 3¼" squares
- B – red print – cut 4 x 3¼" squares
- C – gold with text – cut 4 x 3¼" squares

Construction

- Lay one A square and one B square right sides together and make two x 2½" half squares triangles. Repeat three more times = 8 half square triangles
- Lay one A square and one C square right sides together and make two x 2½" half square triangles. Repeat three more times = 8 half square triangles
- Lay them out as in the photo above and construct rows then join the rows to form the block

The block is now complete and will measure 8½" square which will be 8" square finished.
