CLAYTON'S NOUGHTS AND CROSSES QUILT.

48" square

This kit contains 64 x 5" plaid and stripe squares, (some kits may have fabric other than plaids and stripes) 128 x 2 $\frac{3}{4}$ " background squares plus 2" background and 5" plaid borders, plus a few spare squares.

First draw a diagonal line on the back of the 128 x 2 $\frac{3}{4}$ " background squares or fold on the diagonal line to create a crease mark on the diagonal line. Place a 2 $\frac{3}{4}$ " background square right sides together on the top left corner of a 5" plaid square. Stitch along the drawn or creased line. Repeat on the bottom right corner of the 5" square.

Be sure to sew accurately on the diagonal lines. See diagrams below.

Fold and press back along the stitching line. Check that the corner is square. Flip the top layer of the background fabric back and trim off the underneath pieces of both squares $\frac{1}{4}$ " from the sewn line. Finally press both corners flat to form the square. See diagrams below.

Sew four blocks together to form a “nought” following the diagram on the left below. Make 8 blocks.

Sew four blocks together to form a “cross” following the diagram on the right below. Make 8 blocks.

If you prefer, you can make all noughts or all crosses.

Sew the blocks together following the diagram below.
Add the 2” background border followed by the 5” plaid border.

Money raised from the sale of kits will benefit Bedford.
