## GROUPS LIAISON REPORT

I hope groups are enjoying your stitching and friendships. I was invited to join in one of Purple Patches meetings. This group was created through friendships and meet solely to make charity quilts. Thank you for the invite, I really appreciated seeing what you get up to and enjoyed helping you with the speed basting. This group also shared their lovely quilts at the August SA Quilters meeting.

For those of you attending Rural Roundup please note further information on the flier. Planning has started for Country Forum 2025. If you have suggestions of what you would like to see/do at this event, please send them through.

We have a number of members who haven't received their 40th Year badges yet. There are too many to post out so I am asking for your help. Can you ask those in your group

who are individual SA Quilters members if they have their badges, then let me know who still needs their badge from your group and we will try to organise how to get the badges to them.

I would like to congratulate both Riverton and Cleve groups on their successful exhibitions in August. I was lucky enough to get to both and see their beautiful work. Photos are at the end of the newsletter. Orange Tree Quilters, Inman Quilters, Northern Yorke Peninsula Quilters, Clare Quilters, Port Lincoln Textiles, Quilting and Fibre, Marion Quilters Circle and Golden Harvest Quilters all had articles in July and August I-Patches, thank you, your contributions make an exciting read.

Sister Groups have now been emailed contact details of a Sister Group. I wish the groups lots of fun with new friendships and can't wait to hear about what the groups get up to.

Happy quilting everyone,  
Rosanne
