Hello Everyone,

As of the AGM next month I will be retiring from the Leadership Team. In all honesty it is with a degree of sadness that I write this last message to you as President. Not only has it been a privilege to do so, but it has been unbelievably rewarding. I've mentioned before that our Guild is likely the most active one in Australia, in the ways in which it facilitates opportunities for our members to be involved, to learn and to share. Each and every event and activity that we have organised or been a part of has been full of fun,

friendship and the sharing of knowledge, skills and tasks.

Our dedicated Leadership Team is extraordinary in its willingness to so successfully manage the ever-increasing options that we provide our members. I am grateful for their ideas, their ability to think outside the box and to have been so supported by them all. Also worthy of mention and grateful thanks are the hardworking teams that organise each of our meetings, activities and events. Hundreds and hundreds of volunteer hours are involved, and Team Leaders are to be commended for the leadership that ensures successful outcomes from each of their teams.

I will be continuing my roles on the Communication Team and Flinders Kids programme – both of which are very rewarding – but I will now be able to spend a bit more time doing what I most love, free motion quilting.

I wish the incoming President and Leadership Team all the very best, particularly those who are joining it for the first time.

Goodbye, and happy quilting to all.

NEWSFLASH

Important Information

Lesley Miller

Have you seen the fun, colourful, modern quilts the girls from the Modern Mix SA Group have been making using shopper dockets (cash register receipts)? Cindy demonstrated the technique at the recent International Quilters Day.

Unfortunately, it has come to our attention that the ink used on the shopper dockets which is called bisphenol A (BPA) is potentially toxic. Until recently the chemical was widely used to print cash register receipts. A study in 2020 detected the chemical in 77% of receipts in Australia.

The chemical is used in thermal paper receipts and has been a concern due to potential health risks, leading to the potentially dangerous chemical being voluntarily phased out from use by major retailers Coles and Woolworths.

However, all is not lost!! Our intrepid Modern Quilter, Lesley Miller, has been investigating safe alternatives and she has found a fabulous solution.

At Officeworks the Keji plain paper A4 Office Pad is ideal paper to replace the shopper dockets

- The pad contains 100 sheets of paper.
- Each sheet is A4 size and 55 gsm so it's great for taking down quick notes and ideas.
- The pages are plain so you can also sketch or draw on the pad.
- The pages will go through your inkjet printer.
- As a quilter the paper is safe to use and is perfect for paper piecing.
- And the cost is \$2.50 for a 100 page pad.
- Users can cut strips to whatever size that suits, rather than be restricted to the shopper docket size.

Keji paper from Officeworks with some of Lesley's stitching using the paper

We are heading into that soup time of the year - try this yummy Pumpkin Soup Recipe

INGREDIENTS:

- One full butternut pumpkin
- Six medium or four large potatoes
- One large sweet potato
- Two red apples (eg Pink Lady)
- Two large brown onions
- Salt and pepper and a teaspoon of curry powder
- Two x one litre packets of stock (either vegetable or chicken)
- One 600ml container of thickened cream

Peel and cut all the ingredients into about 5cm pieces. Add salt, pepper and curry powder.

Add stock and cook on the stove top until all the ingredients are soft - allow to cool slightly.

Blend until smooth then add the cream and fold in.

Perfect for freezing in meal-size containers - microwave when ready to eat - **delicious**.

2025 Quilter in Residence:

Zara Zannettino

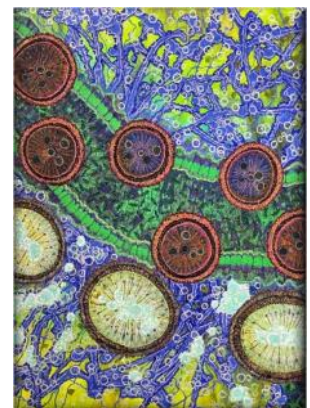

A love of science, a career in Microbiology, as well as a love of art, craft, drawing and sewing have meant that we are in for a very special treat from our quilter in residence this year.

All Zara's work is unique in that her designs are completely original. Zara doesn't use other people's patterns but draws on her love of nature, her knowledge of cellular structure and a willingness to give herself permission to "play" to give form to her work. The work comes to life as Zara free cuts shapes, pins them in place and then stitches and embellishes the shapes on to her work.

Many of the designs are built up with stitches using threads of differing weights as well as wadding giving an added dimension to the work. Bobbin work is also a feature of Zara's work.

We can look forward to seeing a wonderful display of Zara's work at the Festival of Quilts. We can talk to her about the design process, see the technique of how she uses threads and wadding to build the image she is creating. We can be inspired by an artist who loves to create.

SA Quilters Supports Puddle Jumpers in 2025

The beneficiary of the majority of fund raising efforts organised by SA Quilters this year will be Puddle Jumpers

Who are they?

AMQF recap

SA Quilters shop
Thursday evening
May 1st

Wow what a show we had. A very niche audience and lots of happy people.

Having the Bernina stand situated directly opposite our Melann's stand worked wonders for easily educating customers on Bernina products and how we can assist your purchases. So far Christina has set up multiple sit down and frame set ups, with another booked next week! Nothing makes her happier than seeing the customers enjoying their new set ups and machines.

Hopefully you were able to make it to AMQF and see the quilt displays from local talent and all the inspiring quilt shops/patterns/fabrics etc.

If not, Craft Alive will be on July 11th – 13th at the Showgrounds again, and that's where SA Quilters will display their major Festival of Quilts. This is your time to shine! The more quilts in the display, the more variety and talent the audience can observe and admire.

Festival of Quilts - Runner up Best of Show Sponsor 2025

Again, Melann's will be Best of Show runner up Sponsor for 2025 Festival of Quilts. The prize: A B325 Gen 1 OR \$1,100 towards a Bernina sewing machine or accessories.

Helen with her new B325 gen2 - won by scanning a QR code!

Helen, an attendee of AMQF randomly scanned a QR code at the show. Randomly, she received a call from the event co-ordinator, saying she had won a Bernina 325 Gen2. Upon collecting at the shop, we had one on one lesson and organised some accessories. She was so happy with her raffle prize win.

President, Chris O'Brien, welcomed 122 members, new members, visitors and guests to the SA Quilters April meeting. Jill Radcliffe received the President's Encouragement Award for her beautiful quilt made for her new granddaughter. Heather Howsler was the lucky winner of the door prize. Our thanks to Leonie from the LoveLee Fabric for donating prizes for the lucky raffle winners. A new initiative was introduced called "*Loose Threaders*", who take a new member who is visiting the meeting for the first time to introduce them and ensure that they have everything they need. Thanks to our Loose Threader, Therese, who did a champion job of looking after our new members at the meeting.

Our sincere thanks to Leonie from the LoveLee Fabric which was the April feature shop at the SA Quilters meeting. We acknowledge and appreciate the effort required to pack up and transport goods to the meetings. Find out more about LoveLee Fabric on the web site [here](#).

Special guest speaker Rachel Dettman

At the April meeting, we were privileged to have Rachel Dettman as our special guest speaker. Rachel and a group of quilting friends met in March 1984 and decided it would be nice to start the Quilters' Guild of South Australia, and here we are in our 42nd year still enjoying the far-reaching delight in quilting inspired by Rachel and her friends. Rachel is an SA Quilters Life Member and was the first President of SA Quilters. See photos below of Rachel with some of her quilts.

Riverland International Quilters Day

Report by Rosanne Fuller

The Renmark Evening Star Quilters and the Renmark P's & Q's groups hosted The Riverland International Quilters Day on Saturday, 22nd March 2025 at the Riverland Field Days Site located between Barmera and Monash. During the day there were three diverse and engaging Riverland guest speakers; Helen Burgemeister a multi award winning mosaic artist, Andrew Walladge from Berri Native Gardens, Landcare Berri/Barmera and a local radio star, and Bronwyn Cant a multi prize winning Art Quilt artist and tutor. Each speaker related to us as quilters in their story and certainly gave us something to think about. The process of creating with mosaics is similar to a quilter in the design and creating and the emotions of entering competitions, the idea that a garden is a place that changes and working with and embracing change is what makes a successful garden, all things we do when creating a quilt, as an Art quilter embracing the journey, using what you have and your seams not needing to be perfect!

Groups shared their beautiful show and tell which we always love to see, there was a raffle with lots of amazing prizes, (the drawing of the first prize lovely Blue and White quilt has a story to tell), all the while being surrounded by a beautiful display of quilts from the local groups and brightly coloured table settings filled with lots of handmade hearts, four shops offering a beautiful array of goodies to tempt us, and goodie bags with a handmade origami basket and lots of little surprises. There was so much yummy food over the day with morning and afternoon tea and our scrumptious lunch packs, which I think most of us took the leftovers home for dinner that night.

Guests were given the opportunity to enter a 'Celebrating Colour' quilt challenge which was judged by a couple of SA Quilters Leadership members. The work was inspiring and certainly made a colourful display. Congratulations Bronwyn Cant on her first place, Glenda Edwards on second and Viewers' Choice award, and Dianne Molina on her third place, and everyone else that entered as your work was beautiful, you were winners because you entered the challenge!

By the end of the day I was on a high as it was truly a fantastic day with great speakers, lots of yummy food, too much shopping and lovely friendships being made or rekindled.

I congratulate Kylie and her organising team for a wonderful day and thank you on behalf of the 200 guests who came from Broken Hill, the Sunraysia region and South Australian country areas for hosting us. INMAN QUILTERS

Report by Bree-Anna Leibhardt
Publicity Officer

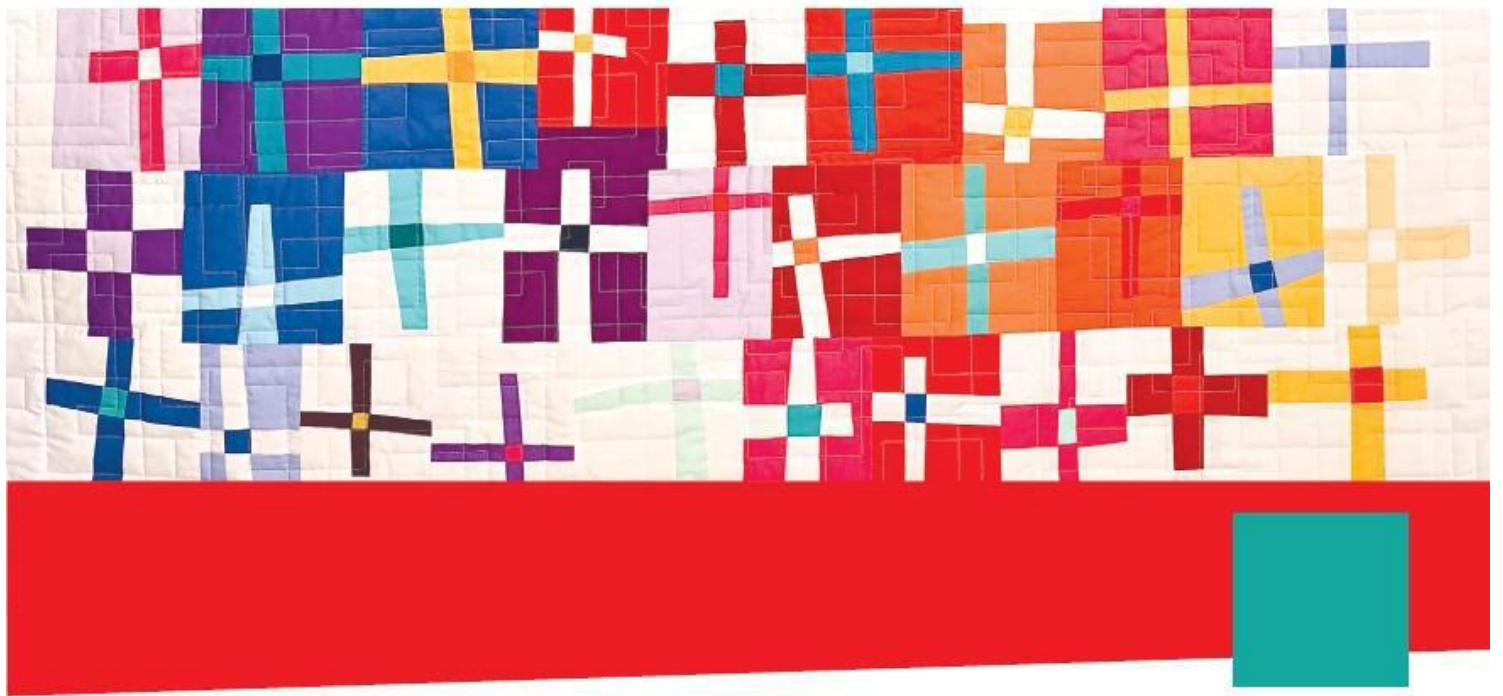

It's an exciting time for the Fleurieu Peninsula, with the Festival Fleurieu beginning on 19th April. This biannual event runs from the 19th to the 27th April 2025, showcasing an eclectic range of talented artists and performers across the Fleurieu. This festival includes nine days of Art, Music, Food and Community Events. As part of the Community Trail, community groups and members of the general public are encouraged to erect statement pieces in their front yard or business front in support of the festival. In the past we have seen, doors, chairs and sculptures however, this year we are to erect story poles. Our members have been busy cutting, sewing and creating these poles to be placed in front of the Inman Valley Memorial Hall to represent the Inman Quilters and share our story. A bit of teamwork and elbow grease gets the job done. Thank you to everyone who helped organise and prepare these poles. Whether it be hand-sewing hundreds of ruffled flowers, sewing fabric scraps together, sawing the poles in half OR creating our beautiful designs – we thank you all for your efforts and look forward to seeing the poles standing proud for the Festival.

Other exciting news for our group and the Fleurieu; our Inman Quilters group has been accepted to host the next Rural Roundup in October 2026. For those who do not know, this event is hosted by any willing South Australian quilting group affiliated with SA Quilters. It is a day filled with information sessions, workshops, pop-up shops, raffles and lucky draws, guest speakers and lots of fun and laughs. We have started a little background research and idea collecting and we have set a date and location – the Inman Quilters Rural Roundup will be held on Saturday, 24th October 2026 at the Lutheran Church in Victor Harbor. We are very excited to see this event come together with help already flooding in from other groups in our area. However, for now most of our attention and efforts are being focused on our very own Quilt Show coming up in October.

Our very thorough exhibition leader Glenda has been busy organising and delegating jobs for our biannual Quilt Exhibition, to be held in the Inman Valley Hall on Saturday 18th and Sunday 19th October 2025. This exhibition provides our members the opportunity to showcase their hard work and creativity they've put into their quilts. We also have a Challenge section for the exhibition, for anyone willing to test themselves and extend their creativity. This year our theme is "Crib Quilts". After the exhibition, members may wish to donate their Crib Quilt to 'Quilts of Love' – who distribute donated crib sized quilts to be used in both the NICU and SCN in the open cribs of our major hospitals. We look forward to seeing all the wonderful designs for these crib quilts hanging in our exhibition and potentially around our hospitals.

So, as you can see, a lot has been bubbling away at Inman Quilters over the past couple months and some very exciting events to look forward to. Please take the time to come and visit the Festival Fleurieu, don't forget our Quilt Exhibition in October and keep your ear to the ground about our Rural Roundup in 2026.

Ros Wyatt

Two very successful workshops for 2025 completed – It's a Mystery with Lessa Siegele and Faye Packham and Kaleidoscope Fun with Heather Ford – a brilliant start for 2025 workshops and a big thank you to these three very talented Tutors. I would also like to say thank you to everyone who enrolled in these fabulous workshops – I am sure everyone who attended went home with some new pieces of knowledge in their quilting journey. Without our brilliant Tutors and all the students who attend workshops would not exist.

SA Quilters Workshop team has a team of six we like to call ourselves Angels – Rosslyn, Heather, Peg, Wendy, Jill, and Cindy; we endeavour to present interesting, educational, inspirational, and up to date workshops for the enjoyment of our members. Please remember class numbers are limited – so please get in quick to secure your seat.

A Quiltworks Foundation Paper Piecing pattern. This is one of the most popular Quiltworks patterns.

The technique of Foundation Paper Piecing involves sewing fabric to a foundation of paper that has preprinted lines and sewing instructions. This allows for perfect points and seam allowances. Slightly oversized pieces of fabric are sewn together and then cut back to their proper size. In this class we will cover floating points, cutting techniques, curved piecing and stacking techniques.

Purchase of pattern required and can be ordered from the tutor. All skill levels.

This workshop offers an opportunity to learn Quiltworks from an accredited Quiltworks teacher.

Some quilting facts:

- No matter how much of a particular fabric you have for the quilt you are making you will always end up being half a metre short.
- Even if you own 200 shades of blue thread, you will not have the one that matches the project you are starting.
- If you have a piece of fabric 10" wide and you need five 2" strips, you will cut one of those strips 2 1/2 wide and be short one strip.
- You will always run out of bobbin thread 1" before the end of the last border seam.
- The only beverage you will **never** spill on your project is water!!
- If a pin goes astray on the floor, guaranteed you will step on it.
- Stab your finger with a pin and it will bleed, but only ever on white fabric!!

Threads Quilting Group - Yankalilla

33 years ago (1992) the Threads Quilting group was started in Yankalilla.

We meet on the second and fourth Tuesday each month. However, on the fifth Tuesday of a month, we gather to work specifically on quilts for charity. In 2024 we donated 21 quilts. Our emergency service vehicles in the area of Cape Jervis, Rapid Bay, Hay Flat and Yankalilla each have a quilt on board with replacements ready. Other recipients have been Starlight, Heart 4 kids, local 5CY charity, Mary Potter Hospice and others given where the need may be.

We meet with Port Elliot quilters each year around Christmas time, changing venues each year in either Yankalilla or Port Elliot, quite often issuing a "challenge". This year for the Yankalilla hosting, the brief was a quilted black and white 13 inch block. What a fantastic creative response. Two quilts have now been completed, one being donated to Port Elliot Patchworkers.

Whyalla Quilters Guild

On the 15th March 2025, International Quilters day, the Whyalla Quilters Guild celebrated with a bag making workshop, under the guidance of Ruth Vincent, talented tutor and organiser for our International Quilters Day. Ruth made all the gifts - goodie bags for those attending!! Along with filling them with a fat quarter, memento and a pre-printed panel for each quilter. These were well received and appreciated. There was a Lucky Number Fabric Draw - and this was won by Ruth Blackwell.

Most of our members are one eyed quilters, but every now and then they like to step outside their comfort zone and make something small. We can never have enough bags, so it was decided that we do a bag workshop. We had a few newbies in our group who attended and so it was a little challenging for them.

So much fun was had during the day along with our favourite tool, the quick unpick working overtime. Those that attended enjoyed morning/afternoon tea along with their goodie bag to take home. Some of the participants have already said that they will make more for their friends as gifts.

Quilters who attended were Ruth Blackwell, Tina Dunn: Shelly Collins, Wendy Wilson, Dianne Cripps, Jan Dantel, Jenny Gordon, Anne Byles, Ronnie Clappis, Lynette Collins, Kathy Moldenhauer and Olivia Larcombe.

A brilliant day was had by all who attended. Hopefully the next Project day will be as successful.
