Jacky Eyre

This is a small project that will include both Sashiko stitching and Boro. Whilst geared towards a Japanese look, this piece can be made in your own personal style – modern, retro, ethnic – whatever!

A 30cm/12inch square of fabric will be divided into sections which will then be filled with little samples of sashiko stitches as well as some mini boro blocks.

This is a fun project suitable for beginners through to more experienced stitchers. You will enjoy the experience of choosing and coordinating fabrics and then enhancing your layout with lovely stitching.
