

MONTH TWO – BORDER 2, 4" APPLIQUE CORNERSTONES – June

If you haven't already got a bit ahead with the applique, this month you will need to make four x 4" square finished applique Flower 1 cornerstones for border 2

Using the master flower document and Flower 1 size 4", create the applique cornerstones

**Fabric requirements for the applique blocks**

You will need the background and two other fabrics. I chose to continue pink in the cornerstones using two different pink fabrics

Cutting

- From the background fabric cut 4 x 4½" squares
- Following the applique instructions or using your preferred method create the four 4" applique cornerstones for border 2

These blocks will measure 4½" square and will be 4" square finished, when sewn into the quilt.

Put aside until month 8, December.
