

## MONTH THREE – BORDER 3 – July

### Fabric requirements for border 3

This border is cut 2½” and will be 2” finished, when sewn into the quilt

- This month if you haven’t already done so you will need to make four x 2” finished applique cornerstones.
- You will need background fabric and one other fabric for the cornerstones. I chose pink again but a different fabric to those used before
- Using the Master Flower document and Flower 1 size 2”, create the applique cornerstones
- 20cm width of fabric for the aqua border

### Cutting

- From the background fabric cut 4 x 2½” squares for the cornerstones
- From the aqua fabric cut 4 x 2½” width of fabric strips. Cross cut 4 x (28½” x 2½”) borders

### Construction

- Create the 4 x 2½” square cornerstone blocks as per your choice, above left
- Add a cornerstone to both ends of TWO of the aqua border pieces, press seams toward the border fabric, photo above right. These two will now measure 32½” and the other two will be 28½ .

Once the borders are complete put them aside, we will put the quilt together in month 8, December.
