

**MONTH FOUR – BORDER 4, 6" X 8" APPLIQUE BLOCKS** – August

If you haven't already done so then this month you will need to make the four 6" x 8" finished rectangle applique blocks for border 4. These blocks will be the centre blocks of border 4.

Using the Master Flower document and Flower 1 size 6", create the applique blocks.

**Fabric requirements for the applique blocks**

You will need the background and two other fabrics. I chose to use yellow with two different yellow fabrics in each block.

**Cutting**

- From the background fabric cut 4 x (6½" x 8½") rectangles
- Following the applique instructions or using your preferred method create the four applique rectangle blocks

The blocks will measure 6½" x 8½" which will be 6" x 8" finished, when sewn into the quilt.

Set them aside as we will put the quilt together in month 8, December.
