**SA QUILTERS WORKSHOP CODE: HF-26**

A **Dresden Plate** quilt features a distinctive circular block made from fabric "petals" or "blades" radiating from a central circle, named for its resemblance to ornate German porcelain plates from Dresden, Germany.

**Dynamic** describes something full of energy, forceful, active, and constantly changing or developing which describes Dresdens perfectly.

Heather will guide you through the process as you make your **Dynamic Dresden quilt**.
